The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**APPROVAL OF AGREEMENT FOR URGENT CARE CENTER  
PHYSICIAN SERVICES  
(SUPERVISORIAL DISTRICT 2)  
(3 VOTES)**

**SUBJECT**

Request approval of an Agreement for Urgent Care Center Physician Services with Urgent Care Associates, Inc.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve and instruct the Chairman of the Board of Supervisors to sign the attached Agreement with Urgent Care Associates, Inc. (UCA) for the provision of Urgent Care Center physician services at Martin Luther King, Jr., Multi-Service Ambulatory Care Center (MLK-MACC), effective upon approval by your Board for the period ending June 30, 2010, with services commencing at the facility on February 5, 2009, at a total estimated County cost of \$3,761,250 for the term of the Agreement.
2. Make a finding as required by Los Angeles County Code section 2.121.420 that contracting for the provision of physician services at the MLK-MACC Urgent Care Center, as described herein, can be performed more feasibly by contracting with the private sector.

**PURPOSE/JUSTIFICATION OF THE RECOMMENDED ACTION**

Approval of the recommended actions will ensure the continued availability of Urgent Care Center physician services to County patients at MLK-MACC. The Urgent Care Center is open 16 hours a day, 7 days a week and the physician services are currently provided under an Agreement that terminates on February 4, 2009.

As to the feasibility finding, on November 21, 2006, your Board approved an amendment to the Proposition A ordinance that permits contracting for physician services upon a determination that the use of independent contractors is more feasible than the use of County employees. The Department has made that determination.

#### Implementation of Strategic Plan Goals

The recommended actions support Goal 1, Service Excellence, and Goal 7, Health and Mental Health of the County's Strategic Plan.

#### FISCAL IMPACT/FINANCING

Under the proposed Agreement, UCA will be compensated on a per patient visit basis at a rate of \$83.50 per visit. In addition, UCA will provide a half-time medical director who will devote at least 80 hours a month to Urgent Care Center administrative duties at a rate of \$12,500 per month. The Agreement provides for a reduction in the medical director monthly rate if the 80 hours are not provided in any given month. Based on an anticipated volume of 2,500 patient visits a month, the estimated expenditure for the new Agreement for Fiscal Year (FY) 2008-09 is approximately \$1,106,250 and the annual expenditure for FY 2009-10 is approximately \$2,655,000. Expenditures will vary depending on the number of patient visits.

Funding is included in the DHS FY 2008-09 Final Budget and will be requested for FY 2009-10.

#### FACTS AND PROVISIONAL/LEGAL REQUIREMENTS

The County currently contracts with California Emergency Physicians Medical Group (CEP) under Agreement No. 75937 to provide physician services at the MLK-MACC Urgent Care Center. Prior to providing services in the MLK-MACC Urgent Care Center, CEP provided emergency room physician services at MLK-Harbor's Emergency Department as part of Metrocare under the aforementioned Agreement that was originally approved on December 1, 2006. On October 7, 2008, your Board approved a recommendation that authorized and delegated authority to the Interim Director of Health Services to issue a 120 calendar days prior written notice to terminate, without cause, the Agreement with CEP, with such termination effective at midnight on February 4, 2009.

Under the recommended Agreement, UCA will arrange for the provision of Urgent Care Center services at MLK-MACC by its physician specialists in the areas of Family, Internal, and Emergency Medicine 16 hours a day, 7 days a week, 365 days a year. At

---

all times there will be at least one Emergency Medicine physician specialist on duty. UCA's half time medical director will be responsible for ensuring the requirements of the Agreement are met and will also serve on MLK-MACC committees, conduct quality assurance activities, schedule and appropriately staff the Urgent Care Center with qualified physicians, and work closely with the MLK-MACC Chief Medical Officer on enhancing operations at the Urgent Care Center.

The recommended Agreement has been approved as to form by County Counsel and contains your Board's required contract provisions. In addition, there are clear performance standards related to staffing levels and the anticipated average patient/physician volume that will be achieved. As has been the practice for other physician services agreements, DHS will provide medical malpractice defense and indemnification for direct patient care provided by UCA under this Agreement as part of its contract consideration. The Chief Executive Office (CEO) Risk Manager has approved the insurance and indemnification provisions of the Agreement.

The Agreement term commences on Board approval and expires on June 30, 2010, with the actual provision of services commencing on February 5, 2009 at the Urgent Care Center. The lead time between Board approval and service commencement is necessary in order to complete UCA physician in-processing and transition planning to ensure seamless service continuance after CEP concludes their agreement on February 4, 2009. The County may terminate the recommended Agreement for convenience with 90 calendar days prior written notice.

It has been determined that the provision of services by the Contractor's physician specialists under the recommended Agreement is subject to Proposition A guidelines which includes the Living Wage Program set forth in County Code Chapter 2.201. UCA is in compliance with the Living Wage Program requirements.

### **CONTRACTING PROCESS**

County Code provision 2.121.350 allows a contract to be made by noncompetitive negotiation if a Department determines that competition is not feasible. DHS determined that due to the short timeframe in which to award a successor Agreement and the specialized nature of the requested services, it was not feasible to conduct a comparative solicitation process in the time before the current Agreement terminated. Therefore, DHS used an alternative method to identify potential firms to engage in a noncompetitive negotiation.

On October 6, 2008 DHS issued a Request for Statements of Interest (RFSI) to 37 medical groups in order to identify interest from private sector health care providers

willing and capable of providing physician services at the MLK-MACC Urgent Care Center after the current Agreement terminates. Seven responses were received by the October 29, 2008 submission deadline. All seven Statements of Interest were reviewed by a team of DHS subject matter experts and three firms were subsequently selected to provide additional information and be interviewed by the DHS team. UCA was selected for recommendation for the Agreement based on the firm's extensive experience providing emergency room services to a similar patient population in other Los Angeles area hospitals, the firm's plan to implement the Urgent Care Center services with qualified physicians, and their methods for ensuring appropriate physician oversight. UCA brings a strong experienced team to partner with DHS on this Agreement.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Award of the Agreement will not infringe on the role of the County in its relationship to its residents, and the County's ability to respond to emergencies will not be impaired. The Agreement will not result in reduced services. There is no employee impact as the services are currently being performed under an agreement. The recommended Agreement will continue the provision of physician services at MLK-MACC Urgent Care Center.

**CONCLUSION**

When approved, DHS requires three signed copies of the Board's action.

Respectfully submitted,

John F. Schunhoff, Ph.D.  
Interim Director

#### **8.36 PROHIBITION AGAINST THE RECRUITMENT OF COUNTY AND CONTRACTOR EMPLOYEES**

8.36.1 Except as may be otherwise expressly stated to the contrary herein, Contractor and Contractor's employees, officers, agents, Physicians or independent contractors shall not hire, recruit, attempt to recruit, or cause to be recruited, any County employee to become an employee of Contractor, while Contractor, its employees, officers, agents, Physicians or independent contractors are at County Facility. Any such attempt at hiring or recruitment of any County employee by Contractor, its employees, officers, agents, Physicians or independent contractors shall constitute a material breach of

this Agreement upon which County shall immediately terminate this Agreement.

- 8.36.2 During the term of this Agreement, County shall not intentionally induce or persuade any of Contractor's employees, Physicians, or independent contractors to become an employee of County. No bar exists against any hiring action initiated through a public announcement.

#### **8.37 PUBLIC RECORDS ACT**

- 8.37.1 Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to sub-paragraph 8.39 - Record Retention and Inspection/Audit Settlement of this Agreement; as well as those documents which were required to be submitted in response to the Request for Statement of Interest used for this Agreement, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary" and such other exceptions as are recognized by law. County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

- 8.37.2 In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a Statement of Interest marked "trade secret", "confidential", or "proprietary", Contractor agrees to defend and indemnify

County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

#### **8.38 PUBLICITY**

8.38.1 Contractor shall not disclose any details in connection with this Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publishing its role under this Agreement within the following conditions:

- Contractor shall develop all publicity material in a professional manner; and
- During the term of this Agreement, Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of County's Project Director. County shall not unreasonably withhold written consent.

8.38.2 Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been selected to participate in providing services described in this Agreement with the County of Los Angeles, provided that the requirements of this sub-paragraph 8.38 shall apply.

#### **8.39 RECORD RETENTION AND INSPECTION/AUDIT SETTLEMENT**

Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Agreement in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Agreement. Contractor agrees that

County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Agreement and for a period of five (5) years after the last payment is made for services provided on this Agreement unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.39.1 In the event that an audit of Contractor is conducted specifically regarding this Agreement by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within thirty (30) days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Agreement. County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

8.39.2 Failure on the part of Contractor to comply with any of the provisions of this sub-paragraph shall constitute a material breach of this Agreement upon which County may terminate or suspend this Agreement.

8.39.3 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of County may conduct an audit of Contractor regarding the work performed under this Agreement, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Agreement or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Agreement exceed the funds appropriated by County for the purpose of this Agreement.

8.39.4 In addition to the above, Contractor agrees, should County or its authorized representatives determine, in County's sole discretion, that it is necessary or appropriate to review a broader scope of Contractor's records (including, certain records related to non-County contracts) to enable County to evaluate Contractor's compliance with County's Living Wage Program, that Contractor shall promptly and without delay provide to County, upon the written request of County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to County under this Agreement including without limitation, records relating to work performed by said employees on Contractor's non-

County contracts. Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to County under this Contract is for the purpose of enabling County in its discretion to verify Contractor's full compliance with and adherence to California labor laws and County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Agreement and for a period of five (5) years thereafter unless County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

#### **8.40 RECYCLED BOND PAPER**

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, Contractor agrees to use recycled-content paper to the maximum extent possible on this Agreement.

#### **8.41 SUBCONTRACTING**

8.41.1 The requirements of this Agreement may not be subcontracted by Contractor **without the advance**

**approval of County.** Any attempt by Contractor to subcontract without the prior consent of County may be deemed a material breach of this Agreement. Notwithstanding the foregoing, Contractor's Independent Contract Physicians are not considered subcontractors.

8.41.2 If Contractor desires to subcontract, Contractor shall provide the following information promptly at County's request:

- A description of the work to be performed by the subcontractor;
- A draft copy of the proposed subcontract; and
- Other pertinent information and/or certifications requested by County.

8.41.3 Contractor shall indemnify and hold County harmless with respect to the activities of each and every subcontractor in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

8.41.4 Contractor shall remain fully responsible for all performances required of it under this Agreement, including those that Contractor has determined to subcontract, notwithstanding County's approval of Contractor's proposed subcontract.

8.41.5 County's consent to subcontract shall not waive County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Agreement. Contractor is responsible to notify its subcontractors of this County right.

8.41.6 County's Project Director is authorized to act for and on behalf of County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by County, Contractor shall forward a fully executed subcontract to County for their files.

8.41.7 Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding County's consent to subcontract.

8.41.8 Before any subcontractor employee may perform any work hereunder, Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by County from each approved subcontractor. Failure of Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.13 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which County may terminate this Agreement pursuant to sub-paragraph 8.44 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

#### **8.43 TERMINATION FOR CONVENIENCE**

8.43.1 County may terminate this Agreement, in whole or in part, from time to time or permanently, when such action is deemed by County, in its sole discretion, to be in its best

interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ninety (90) calendar days after the notice is sent.

8.43.2 After receipt of a notice of termination and except as otherwise directed by County, Contractor shall:

- Stop work under this Agreement, on the date identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.43.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of Contractor under this Agreement shall be maintained by Contractor in accordance with sub-paragraph 8.39, Record Retention & Inspection/Audit Settlement.

#### **8.44 TERMINATION FOR DEFAULT**

8.44.1 County may, by written notice to Contractor, terminate the whole or any part of this Agreement, if, in the judgment of County's Project Director:

- Contractor has materially breached this Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any work issued under this Agreement, or of any obligations of this Agreement and in either case, fails to

demonstrate convincing progress toward a cure within ten (10) working days (or such longer period as County may authorize in writing) after receipt of written notice from County specifying such failure.

8.44.2 In the event that County terminates this Agreement in whole or in part as provided in sub-paragraph 8.44.1, County may procure, upon such terms and in such manner as County may deem appropriate, goods and services similar to those so terminated. Contractor shall be liable to County for any and all excess costs incurred by County, as determined by County, for such similar goods and services. Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.44.3 Except with respect to defaults of any subcontractor, Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.42.4 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both Contractor and subcontractor, and without the fault or negligence of either of them, Contractor shall not be liable

for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph 8.44.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.44.4 If, after County has given notice of termination under the provisions of this sub-paragraph 8.44, it is determined by County that Contractor was not in default under the provisions of this sub-paragraph 8.44, or that the default was excusable under the provisions of sub-paragraph 8.44.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.43 - Termination for Convenience.

8.44.5 The rights and remedies of County provided in this sub-paragraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

#### **8.45 TERMINATION FOR IMPROPER CONSIDERATION**

8.45.1 County may, by written notice to Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to Contractor's performance pursuant to this Agreement. In the event of such termination, County shall be entitled to pursue the same

remedies against Contractor as it could pursue in the event of default by Contractor.

8.45.2 Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to County manager charged with the supervision of the employee or to County's Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.45.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

- The filing of a voluntary or involuntary petition regarding Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for Contractor; or

Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by Contractor, shall fully comply with County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of Contractor or any County Lobbyist or County Lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which County may in its sole discretion, immediately terminate or suspend this Agreement.

**8.48 TERMINATION FOR NON-APPROPRIATION OF FUNDS**

Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor in writing of any such non-allocation of funds at the earliest possible date.

**8.49 VALIDITY**

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

**8.50 WAIVER**

No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of any future breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not

be construed as a waiver thereof. The rights and remedies set forth in this sub-paragraph 8.50 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

#### **8.51 WARRANTY AGAINST CONTINGENT FEES**

8.51.1 Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

8.51.2 For breach of this warranty, County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any Federal exclusion of Contractor or its Physicians from such participation in a Federally-funded health care program. Failure by Contractor to meet the requirements of this Paragraph shall constitute a material breach of contract upon which County may immediately terminate or suspend this Agreement.

## **9.3 CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION - LOWER TIER COVERED TRANSACTIONS (45 C.F.R. Part 76)**

Contractor hereby acknowledges that County is prohibited from contracting with and making sub-awards to parties that are suspended, debarred, ineligible, or excluded from securing federally funded contracts. By executing this Agreement, Contractor certifies that neither it nor any of its owners, officers, partners, or directors is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Further, by executing this Agreement, Contractor certifies that, to its

Contractor shall immediately notify County in writing, during the term of this agreement, should it or any of its subcontractors or Physicians either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall utilize the attorney referral service of all those bar associations within Los Angeles County that have such a service.

## **9.10 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM**

### **9.10.1 Living Wage Program**

This Contract is subject to the provisions of County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J and incorporated by reference into and made a part of this Contract.

### **9.10.2 Payment of Living Wage Rates**

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the

County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to County, including, without limitation, "Travel Time" as defined below at subsection 5 of this Subparagraph 9.1.2 under the Agreement:

  - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Agreement, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this sub-paragraph, "Contractor" includes any subcontractor engaged by Contractor to perform services for County under the Agreement. If

Contractor uses any subcontractor to perform services for County under the Agreement, the subcontractor shall be subject to the provisions of this sub-paragraph. The provisions of this sub-paragraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to County under the Agreement. "Full-time" means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when the Agreement commences, Contractor shall continue to pay a living wage for the entire term of the Agreement, including any option period.
4. If Contractor is not required to pay a living wage when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Agreement, including any option

period. County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of the Agreement, including any option period.

5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Agreement, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this, Agreement Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

#### **9.10.3 Contractor's Submittal of Certified Monitoring Reports**

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County (Exhibit K and Exhibit L), or other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

#### **9.10.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims**

During the term of the Agreement, if Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act,

employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's Agreement with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operations in California.

**9.10.5 County Auditing of Contractor Records**

Upon a minimum of twenty-four (24) hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Agreement. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

**9.10.6 Notifications to Employees**

Contractor shall place County-provided living wage posters at each of Contractor's places of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

**9.10.7 Enforcement and Remedies**

If Contractor fails to comply with the requirements of this sub-paragraph, County shall have the rights and remedies

described in this sub-paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports. If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Agreement. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
- b. Liquidated Damages. It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a

penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due Contractor.

- c. Termination. Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement.

- 2. Remedies for Payment of Less Than the Required Living Wage. If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Agreement. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding Payment. If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due Contractor the aggregate difference between the living wage amounts Contractor was required to pay its

Employees for a given pay period and the amount actually paid to the employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages. It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due Contractor.
- c. Termination. Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement.

3. Debarment. In the event Contractor breaches a requirement of this sub-paragraph, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.
- 

**9.10.8 Use of Full-Time Employees**

Contractor shall assign and use full-time Employees of Contractor to provide services under the Agreement unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Agreement. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Agreement unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time Employee staffing plan. If Contractor changes its full-time Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

**9.10.9 Contractor Retaliation Prohibited**

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity or person. A violation of the provisions of this sub-paragraph may constitute a

material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement.

**9.10.10 Contractor Standards**

During the term of the Agreement, Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

- 5.3 MLK-MACC's CMO, or designee, shall assure that such medical services were indeed provided and that MLK-MACC maintains appropriate time records to reflect the provision of same.

## **6.0 UCC MEDICAL DIRECTOR PAYMENT**

In the event that UCC Medical Director does not perform at least 80 hours per month of UCC administrative duties, which equates to 40 hours per each semi-monthly billing cycle, UCC Medical Director payment of \$12,500 per month shall be reduced by the pro rata amount for each full hour that such administrative duties were not performed. For purposes of this provision, the UCC Medical Director's hourly rate shall be \$156.25.

## **7.0 OTHER PAYMENT PROVISIONS**

- 7.1 Contractor shall provide only those follow-up medical services in the UCC that are appropriate and acceptable within the community standard for a UCC setting. County reserves the right to review and audit all follow-up visits to determine if they were medically appropriate. If after mutual discussion with Contractor, County determines, in its sole discretion, that there is insufficient justification for the follow-up visit in the UCC, based upon documentation in the patient Medical Record, County shall deny, or otherwise disallow through audit exception, any claim for the follow-up visit. Contractor may appeal, in writing, to the MLK-MACC's CMO, or designee. The decision of the MLK-MACC's CMO shall be final.
- 7.2 Contractor agrees that should any physician perform services not requested and specified in Exhibit A or otherwise within this Agreement, such services shall be deemed to be a gratuitous effort on the part of Contractor and the Physician, and neither party shall have any claim against County for such services.

Title 2 ADMINISTRATION  
Chapter 2.203.010 through 2.203.090  
CONTRACTOR EMPLOYEE JURY SERVICE

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

- B. "Employee" means any California resident who is a full-time employee of a contractor under the laws of California.
- C. "Contract" means any agreement to provide goods to, or perform services for or on behalf of, the county but does not include:

# Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

**AGREEMENT  
CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE"  
UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY  
ACT OF 1996 (HIPAA)**

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to, or creates Protected Health Information in order to provide those Services. The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Therefore, the parties agree as follows:

**1.0 DEFINITIONS**

- 1.1 "Disclose" and "Disclosure" means, with respect to Protected Health Information, the release, transfer, provision of access to, or divulging in any other manner of Protected Health Information outside Business Associate's internal operations or to other than its employees.
- 1.2 "Electronic Media" has the same meaning as the term "electronic media" in 45 C.F.R. § 160.103. Electronic Protected Health Information means Protected Health Information that is (i) transmitted by electronic media; (ii) maintained in electronic media.

**2.201.010 Findings.**

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 2007-0011 § 1, 2007: Ord. 99-0048 § 1 (part), 1999.)

Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts.
